

Room 9 News

Mrs. Marshall & Mrs. Bruner

January 13, 2020

Math

This week's Math will be working on comparison problems. Please check in with your child each night to see what types of problems are on the homework.

We will continue with Math Tutoring on Tuesdays and Thursdays at 7:30am if your child needs extra help.

Language Arts

This week we will read about Green Transportation Solutions looking at ways other than fossil fuels to move around. We continue to work on finding the main idea and key details as we read.

Social Studies

We are reading about Spain's influence in California during the late 1700's. One of the biggest influences of the time was the development of Catholic Mission system in California.

**We will start our Mission Reports at the end of January. Look for detailed packets to come home then.

Science

We are doing the wrap up lesson in Mystery Science this week in our study of the human body. Here is a summary:

In the Performance Task, students research another animal or plant. They create a system model to explain how the animal's or plant's parts work together as a system to receive information, process it, and respond to its environment.

On our trip to the Bird Museum, we will be reviewing some of the things we learned in the Human Machine lessons!

Other Stuff

*Thursday is our field trip to the Bird Museum in Camarillo.

*Upcoming Field Trips:

*Jan. 28, CHICO Music Presentation at Ventura HS, 9-11:30am

*Feb. 7, BRAVO Imagine Concert at Ojai Valley School, 8:15-10:15am

*Feb. 19, Museum of Ventura County & San Buenaventura Mission, 8:30-1:45pm

*March 3, Fire Safety Day in Ventura, 8:30-11:30am
