

Room 9 News

Mrs. Marshall & Mrs. Bruner
October 7, 2019

Math

We are looking at multiplying bigger numbers and at breaking numbers apart to multiply using place value.

*****Please practice multiplication facts with your child! It is very important that students know the facts in order to move into multiplying bigger numbers.**

Language Arts

We will continue with an excerpt from Peter and Wendy, the story of Peter Pan. We will be looking at character traits of the characters in our stories. This week we will work on writing a longer narrative piece.

Science

We are continuing with the lesson called How could you survive a landslide? In this Mystery, students will learn about the types, causes, and dangers of landslides.

Social Studies

This week we will learn about how the Earth is divided. We will learn about the hemispheres, the equator, the prime meridian, and how to plot locations on Earth.

PE

Our class will start TENNIS LESSONS on Tuesday and we need a few parents to come play with us! We will meet on the playground from 12:15-12:45 on Tuesdays and Thursdays from October 8-November 14. *Can you come play tennis with us? Let me know!*

Other Stuff

*Tennis starts on Tuesday.

*Wednesday is Principal's Recess. (date change)

*Friday is the Sunset Color Run at 8:15am. You are welcome to join us out on the blacktop! Students may want to bring a change of clothes and dry shoes since the grass can be very wet in the morning.
