

Room 9 News

Mrs. Marshall & Mrs. Bruner

February 3, 2020

Math

On Monday and Tuesday we will work on the Unit 4 Study Guide in class and students can bring it home to study. They may also want their Math Spirals at home to study. The Unit 4 test will be on Wednesday.

Language Arts

Our new ELA booklet is called Confronting Challenges. In this unit students will read fiction stories about characters facing challenges. As we read we will discuss the themes of the story.

Social Studies

And we are off studying a California Mission! Students chose their missions last week and we started researching important facts. Hopefully you saw the packets last week. We will spend some time during the school day gathering information for the blue sheets in the packet. Students are welcome to research and write at home as well.

**Please help your child remember to write down the web address of pages they use for research. We are practicing good research skills along with learning about a mission.

Other Stuff

*SKATE NIGHT...FEB. 10! It's the last Skate Night of the year so bring your friends and family!
