

Room 9 News

Mrs. Marshall & Mrs. Bruner
September 2, 2019

Math

This week we will work on comparing and rounding numbers adding bigger numbers. We will have a Quick Quiz every five or six lessons and our first quiz will be on Wednesday.

*Each night, Monday-Thursday, there will be a page of homework to be done and returned the next day. If your child does not understand the homework and you do not know how to do it, please write us a note and we will help your child the next day.

Language Arts

We will start Unit 1 this week called Government in Action. For the next three weeks will be reading and thinking about the essential question, How can government influence the way we live? Our stories this week are about solving problems.

*Each night children are to read for 20-30 minutes at home and complete a Writing Question in the Writing composition book provided.

Science

Our first Mystery Science Unit is called The Birth of Rocks. We will learn about Earth and the rock cycle.

PE

We will usually have a PE lesson on Tuesdays and Thursdays this year, in addition to a quick run before each morning recess. Students need to make sure they have on good running shoes everyday.

Other Stuff

*Our District has a healthy food policy, so if you would like to send in a birthday treat, please check with the teacher and try to make it a healthy treat.

*Back to School Night is Thursday! I'm looking forward to seeing you then!
